

## La Fonda Meeting Planner Testimonials

I can't express my gratitude enough for all the attention and care given us by your entire staff. I've been to a number of conventions (some at very posh venues), and I have never seen a conference hotel run as smoothly and efficiently, nor one that matched your high catering standards. Nor general courtesy as warmly focused as at La Fonda. Please convey my thanks to everyone involved and don't hesitate to use me as a reference for any potential conferences – especially academic ones – at La Fonda.

I wanted to thank you all for your very kind assistance throughout the planning process and on site. I can honestly say that you all are THE BEST hotel folks with whom I've had the pleasure of working with over the past 16 years in this business.

I wish I could have stayed on in Santa Fe – everyone certainly made us feel welcome!! Everything went so smoothly and we were extremely pleased on how well the course went. Many thanks to La Fonda for all your hard work and for being such a pleasure to work with!!"

Our meeting was a great success, due in no small part to your many kindnesses and top-notch staff. From the meeting room, to the food, to the guest rooms, we heard nothing but praise and experienced the highest level of customer service from all staff that we have ever experienced. And your unfailing professionalism and friendliness when dealing with last minute changes were very much appreciated.

As a meeting and event planner, I have had the pleasure to work with the sales and convention services staff at La Fonda on many occasions. I have always felt as though my event was the most important one on your calendar, from my first contact to the closing day. I have found your staff to be professional and capable, and well aware of the requirements for our meetings.

The La Fonda sales and convention services managers consistently provide sound recommendations for optimal meeting room set up, audio visual needs and sleeping room arrangements for our meetings. Additionally, your catering staff is exceptional to work with and meals at La Fonda are a delight.

I appreciate the service, dedication and capabilities of the La Fonda staff and so do my guests.

Thank you so much for all you did to make our senior managers retreat at La Fonda a huge success! Everything was perfect – the service was excellent, the employees were very responsive to our requests, the food at the catered event and in the restaurant was delicious, and the meeting rooms really fit our needs.

I knew the hotel was in an excellent and convenient location, but I was thrilled with the way you executed all of our plans. There wasn't anything that I would have changed. Thank you so much, and we will definitely consider returning.
